

T.A. BROWN
ELEMENTARY SCHOOL
AUSTIN Independent School District

BIG CELEBRATION! F TO C IMPROVEMENT!

Dear TA Brown Community,

We are thrilled to share an incredible milestone for our school family: TA Brown Elementary has officially improved our state performance rating from an F to a C! Moving up two full grade levels is a direct result of the relentless dedication, grit, and hard work of our scholars, teachers, staff, and families.

What This Means for Our Community:

Student Growth: Our scholars showed remarkable academic progress, proving what is possible when high expectations meet strong support.

Dedicated Staff: Our educators invested countless hours refining instruction, targeting individual student needs, and fostering a culture of excellence.

Stronger Partnerships: Your support at home—ensuring daily attendance, assisting with homework, and encouraging your children—made all the difference.

While earning a 'C' rating is a milestone worth celebrating, it is not our final destination. It is proof that our improvement strategy works, and we are more energized than ever to keep building on this momentum as we continue setting the standard as the best school in town. Thank you for believing in our scholars, our educators, and our mission. Together, we are rising!

Warm regards,
Ricardo Gonzalez Gurza
